Misterij nestanka Krčkog Guarnerija iz 1740.

Krčki Guarneri iz 1740., kojega je Baloković 1922. izuzeo iz “Zbirke Algarotti”, popravljen je u radionici dr. Franje Kresnika na Sušaku.

Baloković od rujna 1926. koristi violinu s nazivom “Guarneri” iz 1732.

Baloković 1931. prodaje violinu preko trgovca Emila Hermanna u New Yorku. Od kada je ona poznata s nazivom Guarneri “Haupt” iz 1732.

their own sakes, but in order that they should make their greatest possible contribution to the enhancement of human life on all levels of consciousness.

Therefore, in the name of my beloved husband Zlatko Balokovic, I now present this violin and four of his bows to Dr. Novak, as President of the Yugoslav Academy of Arts and Sciences. This beautiful violin was made by Joseph Guarnerius del Jesu in 1735 and has long been known as "The King" because it is the finest Guarnerius violin in the world. The four bows are as follows: one made by Francois Tourte - the greatest of all bow makers; one by Domenico Peccate; one by Percoi; and one by Voirin, inscribed "Reuerdo P. de Sarasate - 1832" as a gift for that famous Spanish violinist.
